

# Geo-matching.com Adds 3D Printers

Geo-matching.com has recently added [3D Printers](#) to its broad spectrum of product categories. 3YOURMIND is the first supplier in this category with the [3D Gence One](#). In addition to general specifications, detailed information is given about operation characteristics, filament & cartridges and connectivity. To see the 3D Printers category, [click here](#).

Geo-matching.com ([www.Geo-matching.com](http://www.Geo-matching.com)) is the world's largest product database for surveying, navigation and machine guidance featuring detailed product information for more than 1,070 products in 45 product categories. The website guides users through the maze of specifications and gives them the opportunity to read brochures and case studies, watch product videos, and read other professionals' reviews.

Just some of the categories on offer include [CAD Software](#), [UAS for Mapping and 3D Modelling](#), [Digital Aerial Cameras](#), [GNSS Receivers](#), [GIS Software](#), [Mobile Mappers](#), [Photogrammetric Software](#), [Point Cloud Processing Software](#), [Remote Sensing Image Processing Software](#), [Terrestrial Laser Scanners](#), and [Total Stations](#).

Visit [www.geo-matching.com](http://www.geo-matching.com) to browse through the products, upload a product or leave a review.

Feel free to register your company and add your products with this [link](#).
