

New Topcon Distributor in Romania

Topcon Europe Positioning BV (The Netherlands) will transfer all its positioning sales and support activities (surveying instruments, GPS, lasers and machine control systems) for Romania to the newly-formed company GEODIS RO S.R.L., a fully-owned subsidiary of Geodis Brno, spol. s r.o., Topcon's long-term partner.

Geodis Brno has been Topcon's exclusive partner in the Czech and Slovak Republics for over 15 years. It is a supplier of positioning solutions and has become one of Topcon's major partners in Europe, demonstrating a high level of professionalism and quality standards.

At the same time Geodis Ro S.R.L. has created, a sales network for Topcon positioning products with dealers present in the cities of Bucharest, Craiova, Timisoara and Brasov.
