

South Celebrates 20th Anniversary

On 8th April 2009, South Surveying & Mapping was celebrating its 20th Anniversary during a grand ceremony in Guangzhou Baiyun International Convention Center. Deputy Director of State Bureau of Surveying and Mapping, Mr. Song Chao Zhi, Professor Ning Jinsheng, Li Deren, Liu Xianlin, Wei Ziqin, Liu Jinnan, and experts and leaders of surveying industry etc attended the ceremony and expressed their sincere congratulations to the celebrating company.

More than 40 representatives of excellent foreign distributors also came to the conference, as well as some former employees of South, relatives of South staff, branch managers, factory managers and the staff from overseas offices, altogether more than 1100 people.

After 20 years, South steps into a new era on its developing stage. Starting from nothing in 1989, but with an annual output of 1.08 billion yuan in 2008, South writes a legend among China surveying circle.

At the moment of its 20th birthday, South also took the chances to express its gratitude to the customers, leaders, experts, staff and friends. One of the two founders, Vice President of South, Mr. Yang Zhen Peng, presided the ceremony. He said that South will, as always, make efforts and seized the opportunity to accelerate.
