

12th ISPRS Student Consortium to Follow ACRS 2014

Following the tradition of previous Asian Conferences on Remote Sensing (ACRS) held since 2010, an international student summer school will be organised after the ACRS 2014, which will take place at Nay Pyi Taw, Myanmar, from 1-5 November 2014. This will be the 12th ISPRS Student Consortium and WG VI/5 Summer School, co-organised by the ACRS 2014 and the Asian Association on Remote Sensing (AARS).

The Summer School will include several topics on 'Geospatial Technologies for Environmental Management and Monitoring' with several renowned international lecturers.

The number of participants is restricted to 40. Interested persons should send their registration form by the following deadlines: non-Myanmar participants by 15 August, Myanmar participants by 5 September. The registration fees are only USD80 and include accommodation in a shared room, meals, participation in the summer school, learning material (lectures and labs) and social events.

For more information regarding the registration process, see [this webpage](#).
