

Any Geospatial Questions? Ask the Specialist!

Are you considering trying out a new mapping method? Or perhaps you're struggling with a tricky challenge on a new survey project? Take this opportunity to ask our broad network of experts for help! For our 'Ask the Specialist' feature in the upcoming edition of the annual '*GIM International Business Guide*', we're inviting you to [send us](#) your burning questions about geospatial surveying. We will pass the questions on to relevant industry experts to provide you with a comprehensive and detailed answer to help you on your way.

In addition to being published in the 'Ask the Specialist' feature in the *GIM International Business Guide 2020*, the answers will also be posted on our website. Send your question – try to limit it to 30 words – to our content manager, Wim van Wegen, via

wim.van.wegen@geomares.nl, by latest Tuesday 24 December 2019.
