

# Central US Regional Sales Manager for Sokkia

Chad Willey has joined Sokkia as regional sales manager for the Central United States. The announcement was made by Brice Walker, vice president of sales for the Survey Business Unit.

Willey previously worked with Sokkia as a product manager. He joined Phoenix Engineering and Surveying where he worked as a survey crew chief for the past three years. Willey has more than seven years of surveying experience including fieldwork associated with land surveying, civil engineering and construction.
