

DigitalGlobe Appoints Kimberly Till

DigitalGlobe has appointed Kimberly Till to the DigitalGlobe Board of Directors, effective immediately. Ms. Till is currently the president and chief executive officer and a director of Harris Interactive, a global leader in custom market research. Prior to joining Harris Interactive she served as the chief executive officer, North America, of Taylor Nelson Sofres, which was the world's largest custom market research company.

Before that Ms. Till was Vice President of the Worldwide Media and Entertainment Group in the Communications Sector at Microsoft. Earlier in her career, she held senior management positions at AOL International and Sony Corporation of America.

"Kimberly's broad management experience and impressive track record of driving growth in content and information companies will be enormously helpful as we continue to expand our business by delivering information and insight products globally to our customers," said DigitalGlobe chairman and CEO Jill Smith.
