

European Lidar Mapping Forum

Intelligent Exhibitions is organising the second edition of the European Lidar Mapping Forum. The venue will be Salzburg, Austria and is to take place from 29th to 30th November 2011.

The Call for Papers has also been released with the conference committee requesting abstracts in the following areas: Data Acquisition - Airborne and Terrestrial Lidar and Bathymetric, Data Fusion & Processing Technologies, Developments in GIS & Data modelling, Industry Issues, Mobile Mapping & Survey and details on recent projects. The deadline for submission is 25th July 2011.

This event focuses on airborne, bathymetric, and terrestrial Lidar and mobile mapping system technology and combines an international conference with an exhibition alongside.

Exhibit sales are selling very fast and in less than three weeks we had more than 50% of the exhibit space sold.

Professionals who are interested in participating in the conference or booking a stand are requested to contact Intelligent Exhibitions via e-mail: info@lidarmap.net.
