

Fastrax Appoints Distributor in Spain and Portugal

Fastrax Ltd. (Finland) has announced a distribution agreement with Matrix Electronica S.L. (Spain), a company specialising in complex semiconductor and electromechanical components as well as embedded modules.

Matrix Electronica is Spain's leading distributor of GPS technology, with a market share of approximately 80% in the OEM GPS market. Matrix will distribute Fastrax's iTrax family of OEM GPS receivers, as well as the Fastrax iSuite 3 Software Development Kit (SDK).
