

# Fifth Caribbean GIS Conference

URISA announces the Fifth Caribbean GIS Conference, taking place from 6th to 10th December 2010 in Trinidad. The conference programme is developed through a Call for Presentations which will be issued shortly. CARILEC, the Caribbean Electric Utility Service Corporation, an association of electric utilities, suppliers, manufacturers and other stakeholders operating in the electricity industry in the Caribbean, will be a partner in the 2010 conference.

The objectives of URISA's Caribbean GIS Conference are:

- To inform broad cross-section of Caribbean users about GIS technology and applications
- To share experiences regarding GIS implementation and management issues
- To establish new relationships with the vendor/consultant community
- To provide workshops and sessions that are application driven, and are relevant to the Caribbean community of GIS users
- To foster a Caribbean GIS network
- To assess the state of readiness of national and regional Spatial Data Infrastructures
