

GEO Business 2018 Launches Call for Abstracts

The GEO Business team behind the annual geospatial show held in London, UK, have issued an urgent call for revolutionary and thought-provoking abstracts. A newly launched seminar programme at this year's event is aimed at demonstrating the impact geospatial technologies and solutions are having on our global environment. The deadline to submit an abstract is 29 January 2018.

The brand-new seminar programme will run alongside an exhibition of 200+ international exhibitors, a programme of commercial workshops, a strategic senior-level conference and a variety of networking opportunities. The next show will take place from 22-23 May 2018 at the Business Design Centre in London, UK.

The GEO Business team are looking for abstracts within a variety of industry sectors. However, abstracts within the following fields are of particular interest:

- Architecture, Engineering & Construction
- Asset Management
- Environmental
- Heritage
- Highways
- Instrumentation & Monitoring
- Insurance
- Proptech and Commercial Property
- Rail
- Robotics & Automation
- Safety & Security
- Tunnelling & Mining
- Utilities and Water

Abstracts on the following technologies and applications are also of interest (but are not limited to):

- Augmented Reality/Virtual Reality
- GIS & Big Data
- Laser Scanning
- Mobile Mapping
- Remote Sensing
- Smart Cities
- Surveying
- UAVs
- Visualisation

All interested parties are asked to submit an abstract online before the deadline of 29 January 2018 at www.GeoBusinessShow.com
