

# GEOFORM+ 2007

MVK International Exhibition Company (Russia) has announced that GEOFORM+ 2007 will be held from 13th to 16th March in Moscow, Russia. This international industrial forum will combine four specialised exhibitions:

- GeoMap - geodesy, cartography, geoinformation systems
- GeoWay – intelligent transport control systems and satellite navigation
- GeoTech - engineering geology, geophysics
- GeoTunnel – construction of tunnels and subsurface supply and communications units.
