

GIS Dynamics as Reseller LizardTech

LizardTech, a division of Celartem, Inc. (WA, USA) has signed a reseller agreement with GIS Dynamics (OH, USA) to serve as the distributor of GeoExpress, Express Server and Spatial Express. GIS Dynamics is an international geographic information systems company founded to provide clients with cutting edge GIS solutions that produce results. GIS Dynamics provides an array of services that include GIS project consulting and support, mapping, web-based GIS, spatial data modeling, analysis, geodatabases, and GPS solutions.
