

GITA Conference 2005

Chip Eichelberger will be keynote speaker for the opening session of the Geospatial Information and Technology Association (CO, USA) Annual Conference 28, to be held at the Colorado Convention Centre in Denver (CO, USA) from 6th to 9th March 2005. The speaking style used by Chip Eichelberger has been described as electrifying and spontaneous and is based on his experience in nine countries on three continents. He entertains with a natural humour and a relevant message, incorporating accessibility and attention to detail. Eichelberger is co-author of 10 Secrets to Marketing Success and creator of the tape series Gaining the Edge! Inspiring People to Take Action and Make a Difference.
