

# Hemisphere GPS Granted Non-infringement Judgment

Hemisphere GPS (Canada) has won a patent infringement lawsuit brought against the Company by Trimble Navigation Ltd.

The United States District Court of Northern District of California has granted Hemisphere GPS' motion for summary judgment as to non-infringement of Trimble's patent, effectively negating the lawsuit against the Company.

"We have previously stated publicly that we did not believe our products were infringing on any patents as alleged and were confident in a favorable outcome for the Company," stated Steven Koles, President & CEO of Hemisphere GPS.
