

# Honour for Infrared Survey Aircraft

In a formal medal ceremony at Diamond Aircraft's headquarters in Wiener Neustadt, Austria, Liliana Schmidt (Head of Sales CES States) and Christian Dries (Owner Diamond Aircraft) have been honoured for supporting the Ukrainian State. Three DA42 MPP GUARDIAN equipped with electro-optical infrared cameras from FLIR will make surveillance along the land and sea border more effective.

The Medal of Honour was awarded by General Nikolay Tepan in the name of Nikolay Litvin, Head of the Ukraine State Border Control.
