

Intergeo 2005

The Intergeo 2005, a conference and trade fair for geodesy, geoinformation and land management world-wide, will be held in Düsseldorf, Germany from 4 to 6 October. The successful concept of conference and trade fair at an annually changing venue attracted 16,500 expert visitors to Stuttgart last year. The industry meets for the 11th time, but for the first time for three whole days, from Tuesday to Thursday, from 9 a.m. to 6 p.m. daily, under the motto of 'Exceeding Limits'.
