

ISPRS Announces Karl Kraus Award

The Karl Kraus Medal is a prize to honour the authorship of excellent textbooks in the scientific fields of photogrammetry, remote sensing and spatial information sciences. The prize is dedicated to the memory of Professor Karl Kraus, a passionate teacher and author of a number of textbooks. The first award will be made at the ISPRS Centenary Celebration in Vienna on 4th July 2010.

Article 1 of the regulations states that the Karl Kraus Medal is awarded to authors of excellent textbooks written in one of the official languages of the ISPRS, and published no more than eight years prior to the commencement of the quadrennial ISPRS Congress at which it is to be presented. On each occasion a maximum of two prizes can be awarded.

Full regulations can be found at <http://www.isprs.org/documents/awards.aspx> and more information on ISPRS can be found at <http://www.isprs.org/>.

Nominations from an Ordinary Member of the ISPRS, or by authors themselves, together with three copies of the nominated textbook, should reach the General Secretary of ISPRS not later than 1st January 2010 at: Chen Jun, National Geomatics Centre of China, 28 Lianhuachixi Road, Haidian, Beijing 10083.

The International Society for Photogrammetry and Remote Sensing is a non-governmental organization devoted to the development of international cooperation for the advancement of knowledge, research, development, education and training in the photogrammetry, remote sensing and spatial information sciences.
