

# Learn to Publish KML Services with ArcGIS Server 9.3

An upcoming Internet seminar hosted by ESRI (CA, USA) will teach GIS professionals how to author, publish, and use Keyhole Markup Language (KML) services using ArcGIS Server 9.3.

*Publishing KML Services with ArcGIS Server 9.3* will air on ESRI's Training and Education Web site at [www.esri.com/lts](http://www.esri.com/lts) on w20th March 2008, at 9:00 a.m., 11:00 a.m., and 3:00 p.m. (Pacific daylight time).

ArcGIS Server 9.3 will be released later this year and will provide rich support for KML and enhancements for creating and working with KML services.
