

New Dates and New Venue for GEO Business 2020

Owing to the current coronavirus situation, the decision has been taken to move the renowned GEO Business event to a new venue. It will now take place at ExCeL London on 24-25 September 2020. Because of the magnitude of the public health and safety issues posed, the GEO Business organization feels that this is the most sensible option to guarantee the safety of all the attendees.

"We are in uncharted territory, but firmly believe that moving the dates is in your best interest and that of the wider community. In these extraordinary times, it is especially important for all of us to stand together and support each other. We fully understand and appreciate the level of planning that is required to attend GEO Business, which has made the decision all the more difficult for us, but

we hope you will continue to support us and join us in September," the organizing team said in a statement.

Current badges will remain valid for September and we will continue to keep you updated with show news on this website.

"We would like to thank you for your continued support and patience during this challenging time. And we look forward to welcoming you to what is surely going to be the most important GEO Business ever on 24-25 September 2020".
