

# Nigerian Cartographic Conference

The 32nd Nigerian Cartographic Conference is to be held from 1st to 5th November 2011 in Kaduna (Nigeria). A call for papers is issued with a deadline of 15th September 2010. During the event, there will be an exhibition of maps and drawings and poster presentation. Individual researchers, students, companies and organisations who aim to contribute are requested to give notice by 15th September 2010.

Papers can be refereed on the basis of long text, or as abstract. In the last case, the publication only will be in the digital proceedings. The long-copy papers will be published in the proceedings and in other publications of the association.

Themes are based on industry perspectives. Full papers, presentations, work in progress, and posters are invited under the following themes:

- Mapping the Electoral Process
- Delineation in Electoral Processes
- Mapping and Analyzing Electoral Results
- Mapping the Voters and Polling Place Locations
- Maps and Political Manifestos
- Planning Election Campaign and Logistics with Maps
- Supporting Election Day
- Educating Voters

Registration for the conference, seminar and symposium will start in November 2010. There are options for companies to participate in the trade show
