

Nominations for 2009 Carl Pulfrich Award Sought

Intergraph requests nominations for its biennial Carl Pulfrich Award to recognise significant design and manufacturing contributions to the industries of photogrammetry, remote sensing and earth imaging. Professionals in the photogrammetry, remote sensing and earth imaging industries may nominate candidates for the Carl Pulfrich Award.

The award will be presented during the 52nd annual Photogrammetric Week, 7 to 11 September 2009, in Stuttgart (Germany). The recipient will be granted a monetary reward of up to USD7,500.

The award is dedicated to honorees in memory of Dr. Carl Pulfrich, a key member of the scientific team at Carl Zeiss, Inc., who from 1890 to 1927 oversaw the design of the company's first stereo photogrammetric and surveying instruments. Carl Zeiss, Inc. later teamed with Intergraph to create Intergraph's Z/I Imaging photogrammetry division.

Nominations for the Carl Pulfrich Award must be received by 5 p.m. (CST) on 1st July 2009.
