

# PCI Geomatics Appoints Dr. Alan Moses

PCI Geomatics, Canada, has appointed Dr. Alan Moses, the son of Dr. Robert (Bob) Moses, to the PCI Board of Directors. Alan has long been interested in the technology developed at PCI Geomatics; he and his father shared a common passion for advanced analysis and technology development to solve complex problems for the betterment of society.

Dr. Moses holds a PhD in Biophysics from the University of California-Berkeley and teaches in the Department of Cell & Systems Biology at the University of Toronto. He has had a distinguished academic career as the recipient of numerous awards and funding and has published many scientific papers to advance research in his field.
