

# PCI Geomatics Beijing

PCI Geomatics (Canada) is to launch a new international office in Beijing, China. The new company, PCI Geomatics Beijing, will offer PCI Geomatics technology, services and solutions (under special license), for both the private and government sectors and will be led by Mr. Yubin Xin as Country Manager.

PCI Geomatics has sustained an extensive relationship with the Chinese market, established through a team of geospatial resellers throughout the country. PCI Geomatics Beijing will concentrate on providing imaging solutions to the geospatial market in China while continuing to work with our resellers.

The PCI Geomatics Beijing office will open for business in the latter part of 2008.
