

SATEL Established New Office in North-America

SATEL (Finland) has announced the latest development with its newest member of the SATEL team. Chicago Communications L.L.C has recently established SATEL North America L.L.C in order to manage sales, service and technical support needs for all our customers in the USA. They are SATEL's Officially Approved Sales, Service and Technical Support Office in the USA. SATEL-West will remain managing all contacts in the states of CA, AZ, OR and WA.
