

Survey Summit Call for Papers

The final day to submit a presentation abstract for the inaugural Survey Summit is 31st January 2011. The American Congress on Surveying and Mapping (ACSM) and Esri are organising this conference from 7th to 12th July 2011 in San Diego (CA, USA) and encourage sharing expertise and being recognised for the work with emerging technologies such as Lidar, laser scanning, high-accuracy mobile technology and GIS.

Abstract in one of the following tracks are welcome: Business, Technology, Education, Executive and Training. By presenting best practices and lessons learned, you will enrich the Survey Summit experience for yourself, your organisation, and other attendees. Space is limited, so be sure to submit your abstract soon.
