

USDA FAS/IPAD Prime Vendor Contract

U.S. Department of Agriculture (USDA), Foreign Agricultural Service (FAS), Office of Global Analysis (OGA), International Production Assessment Division (IPAD) announces CompassData (Co, USA) as the latest addition to the Prime Vendor Contract.

CompassData provides a collection of high-accuracy GPS ground control points (GCP) for the processing of digital remote sensing imagery. Under the USDA Prime Vendor Contract, CompassData will provide new and archived ground control points to the U.S. Department of Agriculture (USDA). USDA will use the CompassData control points to process digital imagery used in domestic and international projects.
