

# Vexcel Imaging Selects Imagemaps

Vexcel Imaging GmbH has selected Imagemaps as its sales representative responsible for the People's Republic of China, Taiwan, Australia, New Zealand and ASEAN (Singapore, Malaysia, Indonesia, Brunei, Thailand, Philippines, Vietnam, Laos, Cambodia and Myanmar).

Vexcel Imaging is committed to providing customer support for the growing Asian market to successfully meet the demand for its UltraCam digital camera systems and software. Imagemaps will be supported by well-known established local sales partners, including Vexcel Spatial Information Technical Co. Ltd., People's Republic of China; Kang Ying Enterprises Ltd., Taiwan; Vexcel Australia Pty. Ltd., Australia; and Royal Sky Co., Ltd., Thailand.

Imagemaps is based in Singapore with affiliated offices around Southeast Asia. The company is a sensor solutions provider in the Asia Pacific region with extensive experience in aerial sensing technologies and geospatial solutions.
